

SURREY PARK PANTHERS

MATCH REPORT UNDER 10'S - APRIL 10TH ROUND 2

Scoop is back people! (for one week only) 

Just like the controversial substitution rule introduced by the AFL, Scoop is coming in for a one off match report replacing Geoff (Keith to his friends) Simmons. He is roaming the country side searching for the elusive, **first** edition of Scoop's Round one report from last year's Tacker season.

Surrey Park Panthers v Bundoora Bulls

Now to the game, a slightly cold day with a chance of threatening showers which fortunately didn't affect the game.

The first half was a scrappy affair with our boys playing the better of the two teams. The ground was in great shape with the centre square starting to resemble that bubbling mud pit over there in New Zealand. Even though the score at half time was 26 to 3 in favour of the Panthers, Coach Tezza wasn't happy. The crowd went ducking for cover at the threat of his jugular vein bursting, not a bad first up spray Coach Tezza but personally I would like to see more spit flying through the

air. 

The rev up seemed to produce the goods with an additional 5goals being added to the Panthers score, The target was to beat the Bulls by 5 goals in the quarter, however they came up a bit short with the Bulls scoring 1 goal 1 point. Coach Tezza was still happy with the turn around. The last quarter was won by the Bulls out scoring us 15 points to 7. Still a great effort for the day lads with the final score being

Panthers 10 goals, 6 points = 66 points

Bulls 3 goals, 7 points = 25 points

Special thanks to Jeff Cefai for a fine effort on the boundary, Brett Simpson for entertaining us all in the lab coat behind the goals, Dave Blake for barking the orders from Tezza to the boys, Eric for my fine massage after the game (those hand are magic), Terry for interchange person (don't know how he keeps up with the high rotation policy) Bernie/ Leisl for getting the boys out there on time and looking neat, Score board girl (sister of Pascal) well done and Tezza all I can say is more spit please.

With the next two weeks off for school holidays our return game will be against Bellfield at Ford Park on 1 May 2011. I welcome Geoff back with open arms.

GO Panthers and enjoy the break.
