|-----------------|--|
| Round 2: | Camberwell vs. Surrey Park |
| Date: | 18 April 2010 |
| Scores: | Camberwell 14-10-94 def Surrey Park 6-7-43 |

Hello fellow panthers

A different start to 2010 than 2009.

Last year our first two games were wins so far this season two losses but the difference is the quality of the opposition. Camberwell 1 last year were in gold division and ended up at the bottom of the ladder so are now relegated to brown. It goes to show the standard of gold when they can beat us so well.

Anyway on the positive side which I am always looking at, our big hearted hero's were terrific at each contest never shirking any contest top stuff. The first quarter early started well with both teams matching goal for goal. Our first goal came from a fantastic mark and set shot from James May - good boy.

The conditions were very warm which was totally opposite to the last time we played at Lynden Park as many boys were only tackers then and froze their fingers off. At the end of the first we were down about 5 goals. The second we held them and the third they kicked right away.

So at the three quarter time break I asked for a big effort to achieve the task of outscoring Camberwell in the last which they did to each player's credit. Special mention to Harrison Veitch on the comeback trail and also so for the goal of the year contender coming from the boot of Patrick Barnden deep in the forward pocket usually alright for right foot players, exceptional for a lefty which pat is.

Next week we are back home against Macleod so see you all at training on Wednesday 4.30 to 6.00.

Regards

Jim Castricum
