

MATCH REPORT UNDER 13'S

Round	3 vs Whitehorse Colts at Surrey Park
Date:	Sunday May 1 st , 2011

There once were some lads from old Surrey,
Under 13, but growing up in a hurry.
Footy was their game,
Panthers their name,
About this limerick, please don't give me curry!

Well, those lads played the first day of May,
Bright and sunny but cool was the day.
The Colts they did draw,
We were looking to score,
For we knew that our young lads could play.

Our numbers were short for the match,
Raf and Cam were a mighty fine catch.
Two goals from the square,
Raf pumped fists in the air,
And several kicks Cam G. did dispatch.

The game was a one side affair,
Surrey Panthers were out on the tear.
Hen hit his straps,
With some marks in the gaps,
And Tom played with courage and flair.

Goals, well they were a-flowing,
Surprising 'cos no wind was blowing.
Ben, Tom, Raf, Jezza, Hen,
And some great taps from Ben,
Home with a point the Colts they were going.

Our enthusiasm – it was second to none,
Simon continued to emphasise fun.
Paul chased, Will harassed,
Jordie and Ben ran so fast, (say fast to rhyme with harassed!!)
And a great chase by the coaches young son.

Every ball was pursued by the boys,
The crowd, well they made a big noise.
Jordan, James, Pat and Jon,
Jack, Trist, Chris and Lachlan,
They were stars, the game played with such poise.

So this ditty must come to an end,
On the email to Gazza must send.
The report of the game,
Although fairly lame,
See you at Banyule next week my good friends.
