MATCH REPORT UNDER 11'S

Round 3:	Surrey Park vs. Macleod
Date:	25 April 2010
Scores:	Surrey Park 2-3-15 lost to Macleod 8-3-51

Hello everyone,

Last Sunday we played at home against the current top team Macleod with Nathan Coe as captain of the day. From the first bounce it looked like it was going to be a even match but our boys were not switched on and let Macleod score some easy goals.

Our first goal came from the boot of Flynn [cowboy] Siassios who so far this season has got the goal kicking boot on.

Come the second and our team had most of the play. Sam Day who has really improved from last season kicked a really classy open goal after receiving a top pass from Damon Parr, magnificent.

The rest of the game we again had a lot of the footy but when the hard ball was there to be won we didn't come up with it so Macleod ran away with an easy win.

Next week we are playing Ivanhoe and need to step up our aggression at the ball, which I will be working on at training.
