MATCH REPORT UNDER 11'S

Round 5:	Surrey Park vs. Bundoora
Date:	9 May 2010
Scores:	Surrey Park 12-9-81 defeated Bundoora 1-3-9

The Panthers are growling.

Our biggest winning margin since our champions started playing together.

Let it be noted that every team in under 11s brown division are going to look over there shoulder because the boys are back in town.

All right that's enough of that lets not get carried away. But put simply every boy on Sunday was fantastic. Aply led by co captains Darcy Griffiths and Finn Hanna each player was on the front foot from the outset. Bundoora were our opponents with 3 wins and 1 loss to the season so far and a bit of a worry to their coach.

Then the ball was bounced and really what was I worried about. The backline were absolutely solid with terrific efforts given by all who were positioned there and I think there was not one place on that field that we did not win for the whole game top stuff.

This week we play Glen Iris. So let's carry on our good form so I can write great things again on this page next week.

Your happy coach
