

MATCH REPORT TACKERS BLACK

Tackers Black Round 6 22nd May Game Day review:

Round 6 of the 2011 Season saw the SPJFC Tackers Black Panthers team play a spirited Glen Iris N team, on home soil.

All I can say thank goodness for that as the Black and White Gala ball was on the night before and we were scheduled to play out at Greensborough.

The Black Panthers team was lead out by our game day captain's of Max Askew and James Olarenshaw.

This to date was the Black Panthers closest game of football of the season and a great game was played by all team members.

Max Vandersteen and Joshua Meysztowics double teamed in the ruck with support from Jye Preston later in the game.

The wingmen and runners of the ball Angus Macdonald and Andrew Eramo ensured that from the centre clearance of our small's of Rhett Reynolds, Conner Ogilvie, Joshua Alfirenko and Mac Perry moved the ball quickly and smoothly to our forward line.

Great snaps from Thomas Kelly, James Olarenshaw and goal sneak Lachlan Blake and great efforts from Jake Lawrence and Daniel McCarthy ensured the Black panthers were always in range of Glen Iris.

There must be something in the water out there also as they have some very big players in their Tackers team.

Oliver Sheehan, Sam McNidder, Joseph Frania, Jonty Braken and Max Askew on the backline had one of the biggest challenges during the game as the Glen Iris tall's were all propped on their forward line but they stood up to the challenge against stronger and taller boys.

Jye Preston was awarded best performance on ground by the Glen Iris team and a very fitting award as Jye was in just about every position on the ground during the match tacking up ruck duty and helping out on the forward line and in the centre.

Well done to all players for a great and very close game of football.

Bring on round on round 7 and let's see the Black Panthers roar!

Best Regards
