

## **MATCH REPORT TACKERS BLACK**

Tackers Black Round 7 29th May Game Day review:

Round 7 of the 2011 Season saw the SPJFC Tackers Black Panthers team play another spirited (and very tall) Glen Iris G team on their home soil.

The Black Panthers team was lead out by our game day captain's of Oliver Sheehan and Mackenzie (Mac) Perry.

Max Vandersteen again opened up the ruck with support from Jye Preston and Daniel McCarthy throughout the game, but the Glen Iris ruckman didn't make it easy as this kid was almost as tall as I am!!!!!!

The wingmen and runners of the ball Angus Macdonald and Andrew Eramo ensured that form the centre clearance of our small's of Rhett Reynolds, Conner Ogilvie, Joshua Alfirenko and Mac Perry moved the ball gallantly to our forward, but Glen Iris were quick to convert.

Our back line of Jonty Bracken, Jye Preston, Lachlan Blake and sometime centre man and sometime back man Thomas Kelly was covering a lot of the ground and was to be found in a lot of the play and had a great game on the day.

Whilst Oliver Sheehan, Jake Lawrence, Joseph Frania and Sam Mc Nidder had quite games until position rotations saw them have a chance to fight for the ball and put in solid and strong performances.

This was a tough, physical and very spirited game of football,

Thomas Kelly was awarded for best performance on ground by the Glen Iris team and a very fitting award as Thomas was in just about every play during the match and had a stellar performance on the day.

As a coach and as many parents pointed out on the day, you all deserved to be congratulated as you never gave up and kept challenging and fighting for the ball against a very tall and strong side, so well done guys.

Let's keep this great momentum going and bring on round 8 and let's see the Black Panthers roar!

Best Regards
