

## **MATCH REPORT UNDER 12'S**

### **MATCH REPORT- ROUND 7**

Congratulations to our 50 gamers Jack, Blake and Harry who led the U/12's onto a very muddy Surrey Park today.

The first half was played mainly in the defensive zone, with the back line again working overtime to stem the tide of Greythorn's forward entries.

The boys worked hard tackling with Luke Smith at his harassing best, but the Panthers found it difficult to get any run going.

No goals to the Panthers in the first half but Greythorn had 3 on the board.

The tide turned in the second half however, with some good passages of play moving the ball forward quickly, such as Raf Paszkowski using his pace to burn off the opposition and pump the ball into the goal square.

Ky Reiter was fantastic in the forward line keeping the ball in creating scoring opportunities. Nat Tsipos got on the end of a couple, and by three quarter time the Panthers were right back in it trailing by only 7 points.

Another goal a few minutes into the final quarter and the Panthers were in front. A jubilant coaches box urged the boys on, but unfortunately Greythorn regained the ascendancy, kicking 3 goals to finish 7.3.45 to Surrey's 4.8.32. Next time fellas!!
