Final Score: Surrey Park defeated by Glen Iris N - 8:3:51 to 4:1:25

Goals: Barry 1, Wearne 1, Mills 1 & Burrill 1.

Today it was Glen Iris' turn to see if they could get passed the might of the under 12 Panthers outfit. Not kicking a goal the previous week, whilst disappointing, was the perfect antidote to spur the boys on to have a 'fair-dinkum' crack.

As always, it appeared we'd left our 'footy smarts' back in bed and a slow start prevailed which was unfortunate. Touch & feel all over the ground appeared to be the issue along with a lack of desire to chase back defensively. Glen iris had piled on four goals before we knew it and that seemed to kick us into gear. A sustained five minute effort across centre half forward and a terrific top-of-the-square kick from Robo-cop saw goals to the Human-Pinball and Wearney and we were up & about. Moose and Maso were in everything and we were in for drinks.

The second was more of an arm wrestle with neither side willing to concede anything. Glen iris kicked one goal one behind for the quarter matched against our goal from Millsy, a terrific snap from the top of the square and things were pretty much even. Robo-cop, Snibba and Moose again were prevalent but our second quarter was a sustained effort of disciplined footy. Fifteen points down and it was anyone's to win.

Again, kicking to the swimming pool end of the ground saw Glen iris continually win the ball out of the centre and pump it forward. Defensively we were poor in the middle and were waiting for something to happen as opposed to making it happen. Three quick goals and the boys appeared to be quite deflated. Ben I made a terrific attack on the footy and Jezza was having a blinder in the ruck and across half forward but the run provided early in the quarter by Glen iris won the quarter. Jezza's goal was our only goal for the quarter

It could have been pretty easy to just go through the motions and get blown out of the water but that was not to be. Showing a fantastic fighting spirit the boys held Glen iris to a scoreless quarter which under the circumstances of the previous three quarters was a great way to finish the game. H was getting plenty of it and Jack Russell decided to tackle someone into the dirt and take a mark with his face. Unconventional at best yet he still had the desire to get after the footy.

Next week we're up against one of the top four sides in Greythorn so we need to be prepared for a tough hard game of footy. No one will be celebrating their fifty game milestone it'll just be a normal preparation which will be somewhat different.

Message for the week: Never give up on the contest no matter what the circumstance or the size of the opposition.
