MATCH REPORT UNDER 12'S

ROUND 10 - JUNE 26TH, 2011

Another very windy day at Surrey Park today and again goals were very hard to come by.

Park Orchards smothered just about everything coming off the Panthers' boots so it was tough going.

Lachie Summers was great in the ruck and a couple of good kicks by Damon Parr and Dylan Branda- Pawlaczyk

set up Blake Williams with a scoring opportunity late in the first quarter, but unfortunately the kick drifted registering a point only.

Park Orchards scored a goal in the first quarter and added a point in the second, and the Panthers remained on 1 point at half time.

Sam Castricum tackled courageously, and Jack Stewart showed that the bump is not dead!

Harry Veitch was given a tagging role on the Sharks' number 9 and did a great job.

The Panthers lifted in the third quarter but still couldn't find a way to the goals.

Raf Paszkowski was a solid contributor with his pace, and Charlie Stewart took several marks in defence and in the last quarter,

stopped a certain goal with a great tackle.

Deep into the final term, the Panthers finally registered a goal, when Anthony "Anton" Tchakerian converted beautifully from a tight angle

after a great passage of play delivered the ball into the forward line.

Just a point down when the final siren sounded- final score- Panthers 1.2.8- Sharks 1.3.9.
