MATCH REPORT UNDER 11'S

Round10:	Surrey Park vs St Damiens
Date:	Sunday 20 June 2010
Scores:	5.11.41 to 4.7.31

Hello Everyone,

A depleted St Damiens gave us a big scare on a wet Sunday morning.

Captains for the day were Sam Rattray and Jack Stewart.

A close fought out game was the story for the first two quarters with St Damiens going to the half time break with a slender lead. After the break our Boys were totally focused by dominating the 3rd quarter. Unfortunately we only scored 1 goal, 10 points. Going into the last quarter, I was confident they would finish the game well – which they did, running out winners by 10 points with a special mention to Darcy Griffiths who repelled numerous attacks from the opposition. What a STAR!

Fantastic effort, great team work, look forward to next weeks' game against Kew rovers.

Eat em alive Panthers.
