MATCH REPORT- Under 12's - ROUND 14 - July 31st 2011

Another good win to the Under 12 Panthers at Bundoora today.

Bundoora had some speedy smalls and a ruckman of Sandilands proportions, but the Panthers applied plenty of pressure limiting Bundoora's opportunities.

The Panthers made use of the breeze kicking 2 goals in both the first and third quarters. The Bulls only goal came in the second quarter. Flynn Siassios was strong in defence and Nat Tsipos was at his harassing best – chasing and tackling. Great to see Sammy Day back this week providing some run through the middle.

A half- time address by Richmond's Jake King reinforced the message of reward for effort. He praised the boys' intensity and urged them to continue in the second half.

A goal in the last quarter to James May against the breeze capped off a terrific final term.
